Join us at the Inland Area Writing Project to explore what works in teaching writing across the curriculum in K-16 classrooms. Each three-hour session provides a CCSS aligned, hands on workshop led by experienced K-16 teachers. Participants will gain strategies and ideas that they can readily implement in their own classrooms.

Please click on the Sign Up Now button to register and visit iawp.ucr.edu/sat_workshop.html for descriptions of the workshops.
